and be satisfied with inferior articles, just because you have used them for years. Wake up and look around, and see what are the latest and best soaps in the market. We know that you have been using soaps for washing and cleansing purposes manufactured from soapstone, pitch and diseased fats, that give all kinds of diseases, such as itch and salt rheum, and make the skin full of pimples. You did not know that these diseases were the result of impure soap being used in washing your clothes. We know you did not. You thought that your blood was out of order, and you have been trying to rid your system of its impurities by taking all kinds of medicines, and at the same time the system has been absorbing poisons from your clothes being washed with impure soaps.

The "AMBER," Washing and Cleansing Soap is Chemically Pure, and it is the ONLY chemically pure soap in the market. It is manufactured from a recipe endorsed by the highest medical authorities as a Pure Soap.
